

A wide-angle photograph of a mountain range. In the foreground, a small body of water reflects the surrounding peaks. On the left, several tall evergreen trees stand on a grassy bank. The mountains in the background are covered in patches of snow, with one prominent peak reaching high into the clear blue sky.

Tirol – Business and Science Location with bright prospects

Tirol

- 746,000 inhabitants
- 12,647 km² area: 1,500 km² = 12 % habitable
