## European Refugee Information and Communication Service

NAS smart gas, water and heat metering and Smart City street lighting solutions are based on wireless long-range and low power wide area network ("LoRaWAN")

A screenshot of the eit Digital Open Ecosystem Network homepage. The header features a teal background with white text. On the left, it says 'OPEN ECOSYSTEM NETWORK'. In the center, there is a navigation bar with links: About, Library, Projects, Challenges, Communities, Articles, Our Network, Members, a search icon, Create, and a user profile icon. The main title 'Today we change tomorrow' is displayed in large, bold, black font. Below it, a subtitle reads 'Welcome to the hub of open collaboration and innovation'. At the bottom, there are three buttons: 'Start a Project', 'Find a Challenge', and 'Join a Community'. A dark teal footer bar at the bottom shows four statistics: '36,719 Users' with a person icon, '209 Projects' with a building icon, '86 Challenges' with a trophy icon, and '39 Communities' with a group of people icon.
