

Saxon State Parliament

Science meets Parliament

Dresden, 20 November 2017

Topics

- Post-Mining and structural change in the coal region Lausitz
- Mobility in the digital era
- Health in aging society

A photograph of two women in a professional setting. The woman on the left has short, curly brown hair and is wearing a dark blazer over a patterned top. The woman on the right has long, straight reddish-brown hair, wears glasses, and has her hand resting on her chin in a thoughtful pose. She is wearing a teal-colored sweater. The background is slightly blurred, showing what appears to be an office or meeting room with a window and some furniture.

Outcomes

- Dialogue between JRC and Saxon State Parliament should be continued and improved.
- In December 2017, some members of the regional parliament will visit JRC in Brussels.
- Saxon Scientists will be invited to JRC conferences.
