Digital Public Sector innovations

Jan 23, 2018

Marko Turpeinen
Node Director
EIT Digital Finland
European Institute of Innovation and Technology

Our vision is to become the leading European initiative that empowers innovators and entrepreneurs to develop world-class solutions to societal challenges, and create growth and skilled jobs.

- student to entrepreneur
- idea to product
- lab to customer
EIT Urban Mobility*
Smart, green and integrated transport

EIT Manufacturing relaunch*
Added-value manufacturing
