

Have your say on the future of Cohesion Policy!

We need your help to shape the future of Cohesion Policy and showcase its unique role to support cities' and regions' development.

1

Share your inspiring Cohesion Local Stories

Show the added value that Cohesion Policy plays. We want to make your successful local/regional story a successful European story!

2

Fill in the consultation on the future role and design of cohesion policy

This will help the #CohesionAlliance to develop a sound proposal on the future of Cohesion Policy envisaged for early 2024, ahead of the 9th Cohesion Report and the European elections.
