Network of Former Members

ACTION PLAN 2021

Following its successful launch on 5 May 2021, and with 170+ registered members, the [Network of Former Members](#) has established an action plan for 2021. It will be updated at the beginning of each calendar year, in line with the political priorities of the European Committee of the Regions (CoR).

Members of the Network are invited to consider carrying out one or more of the following actions in their region, city or municipality:

[ACTION n° 1: Organisation of a Local Dialogue in your region, city or municipality](#)

We would like to invite members of the network to bring Europe closer to its citizens and to organise a *Local Dialogue* on the future of Europe and on the role local and regional authorities play in EU policy-making. The CoR can assist you with the organisation (subject to approval).

[ACTION n° 2: Promotion of European values and interests](#)

Become a voice of Europe in your region, city or municipality. Promote Europe via your networks, local media, municipal council, or association. Help us identify active local politicians ready to become [EU Councillors](#) for your country.

[ACTION n° 3: Contribution to the Conference on the Future of Europe](#)

Send us your ideas on what Europe can do better for its regions, cities or municipalities. We will pass it on at the Conference on the Future of Europe.

[ACTION n° 4: Webinars and policy briefings](#)

The CoR will organise online policy briefings to bring you into the heart of EU policy-making. A customised briefing or online visit could also be organised for a particular target audience (elected representatives, students, etc.)

[Please do not hesitate to contact us \(FormerMembers@cor.europa.eu\) for advice or assistance, should you decide to carry out any of the above actions in your region, city or municipality.](#)
