To the members of the Ukrainian Delegation

On behalf of the Maltese Delegation, the Local Councils Association Malta, the Regional and Local Authorities, Presidents, Mayors and Councillors, we would like to show our solidarity with our colleagues in Ukraine and condemn the Russian military aggression of their cities and regions.

What is happening in Ukraine is not only inhuman but unheard of in the world we are living in. War only brings a catastrophic loss of life, destruction and human suffering. What is happening in Ukraine is a violation of international law and undermines European security and stability.

Therefore we are sending this message of solidarity and resolve to our colleagues. Be rest assured that you are not alone in this dark hour.
