From local to European – a project of the CoR and the Bertelsmann Foundation

What for? To bring experiments to the table from the local to the European level with a view to establish a permanent citizens' consultation.

Who? 10-20 cities and regions, ideally already active in citizen participation.

How? Support for the preparation, delivery and evaluation of events on the future of Europe to be held between September and December 2021 in the participating regions and cities with active citizens' involvement.
