

# Women in Politics: overcoming the gender gap

5 March 2020

13:30-14:30 and 17:30-18:30

Atrium 5

Discover the projects and initiatives of EU Associations and organisations working on gender parity and enjoy the networking possibilities of the Market Place

## 1 Council of European Municipalities and Regions

### Women in Politics: local and European trends

*Take CEMR's quiz and discover women's representation in politics across Europe!*

---

## 2 Conference of Peripheral Maritime regions

### Basque Politicians for Gender Equality

*The network of women elected officials, and the groups of male politicians for equality.*

---

## 3 EUROCITIES

### Fighting gender inequality with culture

*How is the culture and the creative sector contributing to more gender equality in cities?*

---

## 4 European Commission, DG Just

### Towards a gender-equal Europe in politics

*The European Commission supports Member States in their efforts to achieve gender balance in politics.*

---

## 5 iKNOW Politics

*iKNOW Politics (International Knowledge Network of Women in Politics) provides an online platform (available in Arabic, English, French, and Spanish) to facilitate women's access to news, resources, and capacity building materials on political participation and provide them with an online space to share experiences and network.*

---

## 6 The Brussels Binder (BB) – and Beyond

*The project builds upon the experience of the BB by creating a pan-European network of women expert databases and like-minded organizations by fostering a solution-focused environment, and co-creating practical tools to promote innovative convening and women's visibility in media and public debates.*

---

## 7 Women in International Security (WIIS) Brussels

### A community for women shaping global peace and security

*Discover WIIS and learn about its mentoring program!*
