Inhabitants

An evolving  
initiative

## Step 1

Present the Covenant of Mayors for Climate and Energy initiative to the municipal council. In order to facilitate the council discussion, you can download the commitment document [here](#);

[Link](#)

## Step 2

Once an official resolution has been adopted by the council, mandate the mayor - or equivalent representative of the council - to sign the Covenant adhesion form. You can download the adhesion form [here](#);

[Link](#)

## Step 3

After signature, complete your information online and upload your duly signed adhesion form; take note of the next steps, outlined in a confirmation e-mail sent to the local authority council.
