Online Stakeholder Consultation on

Amending the Renewable Energy Directive to meet the new 2030 climate targets

Monday 15 November 2021 | 15:00 to 17:00 CET

The European Committee of the Regions (CoR) is preparing an Opinion entitled Amending the Renewable Energy Directive to meet the new 2030 climate targets which is part of the Fit For 55 legislative package under the European Green Deal.

The proposal for amendments to the Renewable Energy Directive was published on the 14th of July 2021 by the European Commission.

The CoR Rapporteur is [Mr Andries GRYFFROY \(BE/EA\)](#), Member of the Flemish Parliament and of the Commission for the Environment, Climate change and Energy (ENVE) of the CoR.

The rapporteur strives for the highest possible quality input and widest range of different views for his opinion and we believe your expertise can contribute to achieving this objective. In case you cannot participate in the meeting, you can share your views in a position paper related to the topic, and send it to enve@cor.europa.eu

The rapporteur has prepared [a working document](#) that is scheduled for discussion in the ENVE meeting on 23-24 November. Adoption of the opinion is foreseen in the ENVE meeting of March 2022. Final discussion and approval of the opinion is foreseen for the plenary session of April 2022. This stakeholder consultation will provide useful information for the rapporteur to help him in the preparation of the draft opinion.
