# Interactio

Interactio User Guide

Viewer

Please make sure you have all the necessary equipment working and ready to go:

- You are connected to the stable WiFi (if possible, make sure your device is the only one connected to that network)
- You are using a computer or a tablet with Google Chrome browser, and your device is connected to a power source.
- You have your headphones plugged in

Then just click on the event link provided by the meeting organizer, enter your email address, your first and last name and press Join.

#	Component	Description
1	Video screens	View room and/or active remote participant
2	Logout	Press logout to leave the event
3	Device settings	You can select and adjust your device settings at any time during the meeting: - Select your camera - Select your microphone device - Select your speakers
4	Language (audio) selection	Press the button to see what languages are available and select your preferred audio source.
5	Your status	Here you can see your current status
