ASSESSMENT AND EMPOWERMENT OF PARTICIPATIVE LOCAL DEMOCRACY – UKRAINE AND MOLDOVA
Facilitate a participatory assessment: active listening

- Ad-hoc trainings
- Small grants
Enter the context
Let the stakeholders define
Exchange of information from the bottom-up
Exchange of information from the top-down
Address environmental issues
RECOMMENDATIONS
Consultations with submunicipal actors
Empower local actors by making EU more easily accessible.

How?

- Re-granting
- Make funds easier to be applied for and related-information easy to find and understand
- Make funds very flexible
Making UE funds more tailored to their needs
(communication, technical skills, soft skills, dialogue, diversity)
Encouraging permanent discussion tables
- Simplifying procedures and more clear information
