

#EUelections2019
thistimeimvoting.eu

WHY I GOT INVOLVED?

- people, especially youth, are not enough informed about the EU and it's positive implications: no roaming, free movement, better air quality, Erasmus+, work abroad, European Solidarity Corps, etc.
- To motivate young people to become active citizens.

WAYS OF GETTING INVOLVED

FUTURE PLANS

- Presentations in high-schools (in collaboration with local NGO's - the Association of Youth in the EU and the Youth Association Sibenik)
- Info booth in Sibenik, Croatia
- Sports (Week of Sports, marathon, walk - promoting active citizenship through sport and physical activity)
