# The EU example: African swine fever

## Next steps

- Continue supporting **scientific research** in the EU and GLOBALLY (research GAPS – Vaccine)
- Updated **risk assessment** by EFSA
- Manage and review the **EU measures** for ASF (learn from experience – protect internal market)
- Maintain **highest political involvement** (Ministerial meetings)
- Dialogue and coordinate efforts with **third countries** (bilaterally and GFTADs) and **stakeholders**
- **Financial support**
- **Awareness** campaigns
- **Biosecurity is a key!**
- **Cooperation at all levels!**
