1. INTRODUCTION

The European Economic and Social Committee (EESC) and European Committee of the Regions (CoR) is committed to protecting your personal data and to respecting your privacy. The EESC and CoR collects and further processes personal data pursuant to Regulation (EU) 2018/1725 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This data protection notice explains the reason for the processing of your personal data for EU Open Day 2024 at the EESC and CoR in Brussels, organised by the EESC and CoR. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to meetings and events, organised by the services of the EESC and CoR, is presented below.

2. WHY AND HOW DO WE PROCESS YOUR PERSONAL DATA?

Purpose of the processing operation: the EESC and CoR collect and further process your personal data to provide you with information about EU Open Day 2024 at the EESC and CoR in Brussels (before, during and after) and for your participation in this event.

Your personal data will not be used for any automated decision-making, including profiling.

Panorama photographs or videos of participants and organisers will be taken and may be published in the context of the event on the EESC and CoR websites, the EU Open Day webpages (https://europeday.europa.eu) and various social media platforms of the EESC and CoR.

Participants who do not wish to be part of the panorama photographs or videos may indicate their objection by wearing a special lanyard which will be provided at a stand at the entrance of the event.

Participants may be photographed/videotaped individually or in groups if they agree to that.

The EESC and CoR are not responsible for recordings (such as photographs or videos) made by participants in a private capacity.

3. ON WHAT LEGAL GROUND(S) DO WE PROCESS YOUR PERSONAL DATA?

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the meeting or event, including web-streaming, photos, audio-visual recording, are necessary for the management and functioning of the EESC and CoR, as mandated by the Treaties.

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body, in particular for the
management and functioning of the Union institutions and bodies as referred to in Recital 22 thereof).

Article 5(1)(d) of Regulation (EU) 2018/1725 (data subject has given consent to the processing of his or her personal data) is applicable for the photos and videos.

Your consent for appearing in photos or videos can be withdrawn at any time and detailed information on how to withdraw consent can be found under point 8 of the data protection notice.

If you do not wish to appear in pictures and/or videos, we ask you to get a lanyard at the desk on the ground floor when you enter the building and wear that badge for the duration of your visit.
