AGENDA

- 1. Opening**
 - Opening by the Chair
- 2. Fit for 55 – Reaching the 2030 targets**

The 'Fit for 55' package is the main driver towards the 2030 climate targets and the overarching climate neutrality goal of the EU. While the package proposes new and revised legislation on key, it is crucial that the package focuses on the major issues and that the individual policies within it are consistent and cohesive with each other. This discussion is a unique opportunity to bring together the rapporteurs on the various files in order to ensure that the proposals made moving forward in the legislative procedure contribute to a package that is fit for the purpose.

Initial statements by:

- **Stefano Grassi**, Head of Cabinet – Kadri Simson, European Commission
- **Olivia Gippner**, Member of Cabinet – Frans Timmermans, European Commission (tbc)
